

## Origami Mimi

Cut out the square above to create your template for your Mimi the Mynah bird!

Follow the separate instruction sheet to fold your bird.

We would love to see your finished creation! Please share a photo with us on the Waddesdon Manor Learning facebook page.

## Origami Mimi

Mimi is a Rothschild mynah bird, who can be found in the aviary at Waddesdon. They are critically endangered birds, mainly due to deforestation and the illegal songbird trade. In their native Bali. The aviary at Waddesdon is part of a breeding programme with the aim of reintroducing birds back into the wild.
