

THE FIVE ARROWS Waddesdon

We are delighted to present to you a first-rate selection of wines, our aim is to ensure that whatever your personal taste and favourite style, every wine featured will be of the highest quality.

The Five Arrows Hotel was built in 1887 as part of the Waddesdon Estate by Baron Ferdinand de Rothschild, due to this close connection to the Rothschild family, a large proportion of our wine list comes from Rothschild vineyards from around the world. However, just because much of our wine carries the Rothschild name, it does not mean that it all comes at a high price, we have developed a list that we believe also represents good value.

The Rothschild's have been associated with the world's greatest wines for almost a century and a half. The spirit of innovation that characterises the family's financial enterprises is evident equally in their wine-making; with the grands cru's of Château Mouton Rothschild and Château Lafite, to ground breaking ventures in the newer wine-growing regions of the world. Rothschild wines can be said to truly embody all that is wonderful about the fruit of the vine.

The rest of our wines have been handpicked by our wine expert to ensure that they complement, and stand up alongside this first-class selection.

If you enjoy the Rothschild wines that you try in the restaurant, a visit to the wine shop at Waddesdon Manor is recommended to discover more.

If you have any questions or would like any advice our staff are always happy to help.
