

THE FIVE ARROWS

Wine List

The Five Arrows Hotel was built in 1887 by Baron Ferdinand de Rothschild as part of the Waddesdon Estate. Due to this close connection to the Rothschild family, a large proportion of our wine list derives from Rothschild estates around the world.

Since 1868 the Rothschild name has been synonymous with the great wines of Bordeaux. However, more recently the Rothschild spirit and innovation has also, since 1981, ensured the development of notable projects in Chile, Argentina, South Africa, USA, Spain, and even China.

We have carefully handpicked a selection of guest wines to complement our Rothschild range. These wines must meet our strict demands for quality and rarity in order to warrant selection. To discover more about the Rothschild range please visit the shop and wine cellars at Waddesdon Manor.

*Some wines may contain sulphites, vintages subject to change.
